<b>Objective hierarchy</b>	<b>Objectively verifiable indicators</b>	<b>Number of indicator</b>
<b>Overall objective</b>		
Contribute to poverty reduction through agriculture based economic growth in the programme area	% of under 5s that are either stunted, wasted or underweight (disaggregated by gender)	<b>Ind O1.</b>
	Household assets index (proxy for income status) (disaggregated by gender)	<b>Ind O2.</b>
<b>Purpose</b>		
To establish efficient and profitable value chains of selected crops/products benefitting the involved actors and stakeholders along the chain (farmers, processing industries, traders and buyers)	Volume and value of agricultural production and processed products	<b>Ind P1.</b>
	Yield of the VC product(quintals/hectare)	<b>Ind P2.</b>
	Increase in annual household income in targeted areas by social status and gender	<b>Ind P3.</b>
	Number and percentage of men and women participating (women at least 30 %) in decision making in community and value chain levels	<b>Ind P4.</b>
	Average farm-gate price of VC product	<b>Ind P5.</b>
	Percentage of on-farm post-harvest losses among participating farmers	<b>Ind P6.</b>
<b>Component 1 Objective: Functioning efficient value chains developed</b>		
1.1 Organisations established or strengthened within the Value Chain	Number (between 20-30 in each Woreda) of Agribusiness enterprises engaged in new agribusiness or agricultural production related business (disaggregated by age and gender)	<b>Ind OP1.1.2.</b>
	Communication materials regarding value chain issues available & in use (numbers of radio programmes and bulletins produced per quarter, website up and running)	<b>Ind OP1.1.3.</b>
1.2. Production, agribusiness development and markets increased and enhanced along the value chain	Number (between 20-30 farmer groups and production groups) established or strengthened and producing in the value chain in each Woreda (disaggregated by gender, with at least 30 % women members in each group)	<b>Ind OP1.2.1.</b>
	Number of private sector agribusinesses established or strengthened	<b>Ind OP1.2.2.</b>
	Number of new market segments identified for each value chain	<b>Ind OP1.2.3.</b>
1.3. Actors have action plans, business plans and applications that are financed	Number of woreda action plans funded for each value chain	<b>Ind OP1.3.1.</b>
	Number of regional action plans funded for each value chain	<b>Ind OP1.3.2.</b>

	Number of business plans developed by farmers' groups, cooperatives or private firms that have been approved to receive funds from the Matching Grant Fund	<b>Ind OP1.3.3.</b>
	Number of new technologies that have been funded and adopted for each value chain, disaggregated by gender	<b>Ind OP1.3.4.</b>
<b>Component 2 Objective: Service Delivery developed to support and facilitate Value Chain Development</b>		
2.1. Private Sector Service Delivery Capacity and Technical Assistance Developed	Number of private sector service providers strengthened or capacitated, disaggregated by gender and age	<b>Ind OP2.1.1.</b>
	Percentage of female participants in each training course or study tour	<b>Ind OP2.1.2.</b>
	Number of private sector service providers participating in Value Chain Platform, disaggregated by gender and age	<b>Ind OP2.1.3.</b>
2.2. Public Sector Capacity Developed to service, facilitate and advise on value chain development	Number of public service providers strengthened or capacitated, disaggregated by gender and age	<b>Ind OP2.2.1.</b>
	Percentage of female participants in each training course or study tour	<b>Ind OP2.2.2.</b>
	Number of public sector service providers participating in Value Chain Platform, disaggregated by gender and age	<b>Ind OP2.2.3.</b>
<b>Component 3 Objective: Private and Public Sectors in the selected Value Chains gaining access to Funds and Financial Services</b>		
3.1. Fund established for Innovation, Demonstration and Research at Woreda and Regional level	Value Chain Action plans developed, funded and implemented by public and private actors	<b>Ind OP3.1.1.</b>
	Number of business plans financed, disaggregated by gender (e.g. female or male headed enterprises)	<b>Ind OP3.1.2.</b>
	Number of improved and new technologies adopted, disaggregated by gender and age	<b>Ind OP3.1.3.</b>
	Number of new technologies demonstrated, disaggregated by gender and age	<b>Ind OP3.1.4.</b>
	% of participating farmers adopting all recommended agronomic practices (qualified with number). Disaggregation: 1) Recommended agricultural practices (integrated pest management, seed source, soil fertility management, fertilizer application, irrigation) 2) Gender (e.g. do female headed households have access to irrigation, new	<b>Ind OP3.1.5.</b>

	technologies..)	
	% of farmers adopting all recommended post-harvest practices	<b>Ind OP3.1.6.</b>
	Number and % of trainees who demonstrate improved knowledge, disaggregated by gender and age	<b>Ind OP3.1.7.</b>
	Number and % of trainees who believe that training topics met their priority needs, disaggregated by gender and age	<b>Ind OP3.1.8.</b>
	Number and % of IDRF grants awarded that result in development of sustainable innovation	<b>Ind OP3.1.9.</b>
3.2. Promote and improve access to financial services and products	Value chain actors understand financial management	<b>Ind OP3.2.1.</b>
	Value chain actors use existing credit facilities	<b>Ind OP3.2.2.</b>
	Number of participants in family financial training	<b>Ind OP3.2.3.</b>
	Number of RUSACCOs upgraded through committee and member training	<b>Ind OP3.2.4.</b>
	Number of RUSACCOs qualifying for ACSI wholesale lending	<b>Ind OP3.2.5.</b>
	Number of farmers involved in M-Birr mobile banking promotion	<b>Ind OP3.2.6.</b>
	Number of new M-Birr members registered	<b>Ind OP3.2.7.</b>
	Number of new M-Birr agents registered	<b>Ind OP3.2.8.</b>
	Number of Micro Finance Institutions and Rural Saving and Credit Cooperatives strengthened	<b>Ind OP3.2.9.</b>
3.3. Develop Matching Grant Fund and Value Chain with micro-finance institutions	Grant Funds developed and accessible to Value Chain Specific activities for farmers' groups, cooperatives and Micro and Small Enterprises	<b>Ind OP3.3.1.</b>
	Number of farmers' groups, cooperatives and micro enterprises accessing funds (disaggregated by gender and age)	<b>Ind OP3.3.2.</b>
	Numbers of proposals submitted for Funds for approval	<b>Ind OP3.3.3.</b>
	Number of proposals approved by each fund respectively	<b>Ind OP3.3.4.</b>
	Number of new and improved technologies adopted	<b>Ind OP3.3.5.</b>

3.4. Develop Loan Fund	Loan Fund developed and accessible to value chain specific activities for farmers groups, cooperatives and RUSACCOs	<b>Ind OP3.4.1.</b>
	Number of groups and cooperatives accessing funds	<b>Ind OP3.4.2.</b>
	Number of applications submitted to Loan Fund for approval	<b>Ind OP3.4.3.</b>
	Number of farmers included in crop purchase scheme	<b>Ind OP3.4.5</b>
	Number of Rural Saving and Credit Cooperatives strengthened through wholesale lending	<b>Ind OP3.4.6.</b>
